

Hey there.

Amanda Smith here.

And I promise not to take up too much of your time.

I'd appreciate the opportunity, right now, to show you how to **chew train a rambunctious 6-month old puppy**.

I don't know about you, but I've never been a fan of having to deal with **fixing and replacing all the chewed furniture in your home**.

You work too hard to be wasting time on things that aren't pushing you forward. So let's skip over the guesswork, and start getting you results.

These days I am able to **trust my dog not to tear apart my home, even when he's left unattended and invest in high quality furniture, without worrying that it will be torn apart**. But before I saw any success, I spent a lot of time in the trenches.

I was constantly worried about what would happen next. And it's no wonder, considering that **I didn't know how to effectively discipline a puppy to curb problem behaviour and I didn't have a lot of time to invest in training**.

But that's before I discovered what I'm about to let you in on...

Now, there's no doubt in my mind that eventually you'll be able to dig yourself out too.

...I just want to save you from the grief that you'll likely go through.

That's why I'd like to invite you inside **The Puppy Training Guide**.

**The Puppy Training Guide** is **book** that will show you how to **stop a puppy from chewing everything in sight**.

Now, I know what you're thinking... why would I care to release this **book** to you?

It's simple. I'd like to make money.

I know that's pretty blunt, but I'm a straight-to-the-point kinda person. And that's exactly what you can expect from **The Puppy Training Guide** too. No fluff, just results.

And besides, does it really matter if I make a bit of money? Especially since this system will not only save you a ton of time, it will be a huge advantage to you.

Why you ask? Well you'll benefit from...

- **The "Chew No More" Toy List:** This is good for you because **it provides a list of chew toys proven to work. Your puppy will love these so much, they'll quickly lose interest in the taste of your couch**.
- **The Play Time Guide:** This is important because **you'll see how to encourage positive play with your puppy that will allow you to bond, while wearing him out - a tired dog is a good**

**dog.**

- **The "Medical Problems You Need to Know" Guide:** This is big because **you'll be educated in spotting medical issues that require veterinary attention.**
- **The "No Hit" Corrective Trick :** This a good thing because **you'll be able to correct problem behaviour, without causing emotional or physical harm to your four-legged friend.**
- **Tips for Puppy Proofing Your Home:** This is great because **you'll see how to properly proof your home, and save your furniture, until your puppy's teething period subsides.**

Now to be honest with you, you could **hire a private dog behaviour coach.**

But you'd be looking at spending at least **\$850.00.**

Don't worry.

I'm going to save you some money today too.

In fact, I'm even going to sweeten the deal.

So when you grab your copy of The Puppy Training Guide today, you'll also get some amazing bonuses completely free. Including...

- **Puppy Clicker Tool -** This will help you **speed up the training and make your puppy more receptive to your corrections.**
- **Organic Puppy Training Treats -** This will help you **increase the long-lasting effects of your puppy training through positive rewards that are healthy for dog.**
- **The Doggy Doorbell -** This will help you **speed up the house breaking process by alerting you when your dog has to go outside.**

But I should warn you...

There is a catch on securing your copy of **The Puppy Training Guide.** **This Offer will be Closing at 11:00 PM Eastern Standard Time on 02/10/2015 (Tuesday).** This is because **we are only licensed to sell this guide for a limited time.**

I know that puts a lot of pressure on you, so I'm going to make your decision extremely simple.

You can grab **The Puppy Training Guide** today, try it out, and if for some reason you don't achieve the results I'm promising you today, you're covered by our **60 days** guarantee.

Because of the limited nature of this offer, I don't want to take up too much more of your time.

So **click the buy button now.**

Again, I'm **Amanda Smith** and I'm incredibly excited for you to jump in and get started.

Talk to you soon.
